At the end of the **A2** (just before the M2 starts), turn left on to the **A289** Sign Post “**Gillingham**” (as you take this junction you need to keep left all the time until on the A289. The A289 is a new road & may not be shown on your map).

Go straight over the first roundabout, still on **A289** & Sign Post “**Gillingham**”.

Turn Left at the next roundabout, still on **A289** & Sign Post “**Gillingham & Medway Tunnel**” (this is a new tunnel and may not be shown on your map).

Directions to Medway Mini Stox

Parochial Hall

Ingram Road, Gillingham, Kent

From the M20 (via M25)

From the **M20** follow the Signs **A229 Chatham** (I think it is Junction 5, it may be junction 6 (they are very close together)).

Once on the **A229** and heading for **Chatham**, continue up the hill and down the other side, at the first roundabout (which has Traffic Lights) get in to the middle lanes and follow the Signs **A229 Chatham (loads of road works been done here – it may be a flyover)**. From this point “**Asda**” will be on your right.

Down to the next roundabout and straight on, “**Toys R Us**” will be on your left.

About 200yds you need to get in to the right hand lane and follow Sign **A230 Chatham**. Follow this road all the way down.

At the end you will have to bear left a little and then immediately turn right (this is a roundabout, but the roundabout is a building), go under the bridge, and turn left (you are now on the Chatham ring road [new system]).

Follow this road round and straight over the Traffic Lights, at the end of this short section you need to turn left **A231** Sign Post “**Brompton**”.

Up the hill through a set of lights to the next roundabout, you need to be in the left hand lane and carry straight on Sign Post M2 : **A289 : Rainham**.
(The A289 is a new road & may not be shown on your map).

Straight over the next roundabout and immediately get in to the right hand lane, and turn right at the next roundabout on to the **A289** Sign Post “**Rainham**”.

Up to the first set of Traffic Lights (you need to be in one of the centre lanes), carry straight on, over the next two set of Traffic lights.

At the next roundabout you need to turn right, Sign Post “**Gillingham Town Centre**”.

Up the hill, and along the flat about 75—100yds from the top of the hill, the hall is on your left. If you get to the Level Crossing you have gone too far.
